Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 12 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and mostly sunny with Sunday hotter than recent days.

Today:
A fine and sunny day for most, though some fair weather cloud will be around. Temperatures similar to recent days, feeling warm in the sunshine, especially with winds being light. Maximum temperature 22 deg C (72 deg F).

Tonight:
A warm and dry night with clear periods. Winds calming even more from the day, producing a still night for most, though potentially less humid than recent nights. Minimum temperature 10 deg C (50 deg F).

Sunday:
Another fine, dry and sunny day with some fair weather cloud. Temperatures higher than Friday or Saturday, both during the day and overnight. Maximum temperature 27 deg C (81 deg F).

Outlook for Monday to Wednesday:
A largely fine and dry start to the week, with temperatures dropping back down from Sunday's, and breezes picking up again for most.
